Students selected to participate should have a serious interest in rangeland management, rangeland ecology, or grazing animals.

Each camper will receive a camp information packet via mail by late May. This packet will include location maps, agenda, what to bring, etc. During camp each participant will receive a range youth camp t-shirt and notebook filled with presentations and handouts. After camp a CD-ROM of pictures highlighting activities at the camp will be mailed to each participant. Copies can also be made for sponsors for presentation purposes upon request. Please contact Courtney Jackson at (620) 767-5111 or courtney.jackson@usda.gov with questions about the camp.

Parents are to make arrangements for dropping off and picking up the students. Kansas Section of the Society for Range Management (SRM) will not be held responsible for lost or stolen property, injury, sickness, or accident en route to or from the camp or while participant is attending the camp.
